## *Six Years of CCSK: Purposeful Progress*

Dear colleagues,

It gives us immense joy and pride to announce the completion of six remarkable years of the Council of CBSE Schools Kerala (CCSK). Since its founding on **May 30th, 2019**, CCSK has remained steadfast in its mission to be a structured, solution-oriented platform that strengthens, supports, and safeguards CBSE-affiliated schools across Kerala.

Systematically addressing key areas such as academics, legal matters, affiliation, infrastructure, teacher empowerment, and student welfare, CCSK has consistently responded with professionalism, diligence, and a strong commitment to quality.

Our efforts have been consistently guided and enriched by the reliable support of the **Ministry of Education (MoE) – Government of India**, the **Government of Kerala**, **CBSE**, **NCERT**, **NCFSE**, and other regulatory and statutory bodies. Their timely guidance and cooperation have empowered CCSK to operate in a structured manner, with transparency and lasting impact.

As we celebrate this important milestone, we reaffirm our commitment to serve with even greater determination, knowing that with your continued unity, trust, and active participation, we can overcome any challenge together.

Let this moment inspire us all to uphold excellence as a way of life—something CCSK passionately embodies in every initiative, every communication, and every cause we champion.

**"தண்ணீர் வண்ணமும் தாழ்வும் அளவும்  
பொன்னின் மருந்துபோல் பூக்கும் தகை."**

— Thirukkural (50)

***"Whatever be the colour, depth or nature of the water in ponds or lakes,  
the lotus blossoms in all with the same splendour."***

This profound verse by **Thiruvalluvar** reminds us that regardless of the challenges we face, perseverance and clarity of purpose will always help us bloom and rise.

Together, let's continue to set new standards and create a brighter future for CBSE schools .....

With regards,

The CCSK Secretariat
